## PHTHALATEfree

is a proven vinyl protective coating that is engineered to create a tough, effective barrier against germs, abrasion and stains.

Hi-Loft<sup>2</sup><sup>TM</sup> is a specialty knitted textile manufactured with 100% polyester yarns aimed at creating a backing with bulk, strength, and unusual softness. When combined with a vinyl surface, an extremely soft hand quality is achieved without sacrificing product performance. (Adhesion, tear strength, and stretch strength properties are also improved.)
